Embellissement Vanier Beautification Get's Award

The Crime Prevention Ottawa Community Safety Awards was held last November 5th at City Hall. "It was a beautiful ceremony and it was humbling to be surrounded by such great finalists and winners", said Marguerite Beaulieu (holding the trophy). Marguerite and others accepted the trophy on behalf of all the "Beautiful" members who strive to make Vanier a better community. They invited everyone to view the awards, past and present, as well as pictures in the two curios, placed in the foyer at the Richelieu-Vanier Community Centre.
