

## How to discard televisions and electronics / **Comment se débarrasser de téléviseurs et électroniques**

Un message de / A message from Ray Garner , Program Manager, Collection Operations, City of Ottawa. Contact info: Solid Waste Operations Branch, Collection Operations Unit150, Katimavik Rd. 3rd Floor, Ottawa, ON K2L 2N2(613) 580-2424 Ext: 25796 Fax (613) 580-2789

Televisions are included in Phase 1 of the Waste Electrical and Electronic Equipment (WEEE) program administered by Ontario Electronic Stewardship (OES). The program was developed with Waste Diversion Ontario on behalf of the Ontario government under the Waste Diversion Act, 2002. **As a result of this program, these items are no longer accepted in the landfill. As such, The City of Ottawa does not provide collection of Televisions, Monitors, Computers, etc.** Our contractors have been instructed to leave a Green "Recycle your Electronics" sticker attached to items that have been placed out at the curb. The stickers provide the home owner with information on how to properly recycle their electronic waste.

***Below a list of locations from the Recycle your electronics web page ([www.recycleyourelectronics.ca](http://www.recycleyourelectronics.ca)) which have drop off depots within a 5km radius of Marier and Montreal Road.***
