Embellissement VANIER Beautification**

In January 2012, the members voted to shorten the group's name from Working Group on Beautification/Groupe de travail sur l'embellissement to Embellissement VANIER Beautification. To celebrate the new name, we are happy to announce our new logo.

The logo consists of "busy bees" which perfectly symbolizes the spirit of our membership for indeed we are tirelessly busy beautifying our community. The green and blue colours of the flower is our homage to Crime Prevention Ottawa which launched our group in 2007 and to whom we are eternally grateful. The red heart that makes up the leaves of the flower is a tribute to our former Chief of Police Vern White who publicly stated that Vanier is the heart of the Ottawa.

Embellissement VANIER Beautification has won many recognitions and awards for its commitment to bring together residents, organizations and officials to build a vibrant and safe community in Vanier. It has arguably the largest membership and network of volunteers in Vanier - over 225 residents and friends! Members of Embellissement VANIER Beautification are responsible for our community garden in Richelieu Park, the Eyes on Vanier Walkabout, graffiti removal, park clean-ups and successful programs such as the adopt-a-garbage-bin, adopt-a-flower-box and electronic items disposal.
